**Keynote Speaker**

Conor Ofsthun serves as a coastal scientist for Woods Hole Group, working on a variety of projects ranging from local redevelopment projects to regional planning studies. He prepares studies on the topics of coastal hazards (erosion, flooding) evaluation, sea level rise planning and adaptation, shoreline and sediment management, living shorelines, beach nourishment, wetland restoration, inlet and harbor dredging, and environmental conditions assessments. Mr. Ofsthun specializes in coastal processes assessment and adapting our shorelines to present and future conditions for the mutual benefit of the environment and society.

Mr. Ofsthun holds a bachelor's degree in geological sciences and environmental studies from Tufts University, and a master's degree in coastal processes and physical oceanography from the University of South Carolina. He has lived and worked on the Atlantic coast, Gulf coast, and Pacific coast, and aims to take a holistic approach to problems and an innovative approach to solutions.

*Goodbye*  
**Winter**

Cozy up for the last weeks of winter with some good reading. Bookends has a great selection of mysteries in stock! All our hardcover books are just \$1 each and softcover books just 50 cents each.

Want something topical? We have plenty of books on American politics, as well as the history of conflict in the middle-east.

Or maybe just relax with some winter crafts. We have lots of craft books for the quilters, sewers, and birdhouse builders among you!

We also have lots of jigsaw puzzles in stock to keep you occupied inside while you await the warmer weather ahead. \$2 per puzzle.

Visit us in the lower level of the Winthrop Public Library!

### WHAT IS THE MBTA Communities Law?

The MBTA Communities Law, passed in January 2021, addresses Massachusetts' housing shortage by changing zoning near transit stops to allow development of multi-family housing.

#### What are the law's requirements?

The law requires MBTA Communities to have a multi-family zoning district near their transit hub.

#### How will the law benefit my community?

**WITH THE NEW WITH COMMUNITIES ACT**

- **Changing zoning to allow multi-family housing near transit**
- **Creates a variety of housing options for:**
  - low and middle-income families
  - workers looking to diversify
  - young adults looking to move back to their hometowns.
- **Costs of new housing will be reduced** when housing does not require the time and expense of special permitting.
- **More housing closer to the places that we go every day,** such as local shops, jobs, schools, restaurants, parks, etc.
- **Encourages eco-friendly practices** like commuting via transit.
